

JOB POSTING
HYDROFORM PRESS MACHINE OPERATOR
January 2023

If you have experience operating a Hydroform Press Machine and are seeking a fantastic opportunity with a dynamic employee-owned manufacturing company, Globe Engineering may be the place for you. "Employee-Owned" means Globe's profits are returned to the employees. We offer a great working environment, bonuses, a solid benefits package, and an excellent retirement and Employee Stock Ownership Plan (ESOP). Established in 1946 in Wichita, Kansas, Globe originally produced child safety seats for automobiles. Over the years, we have grown and now supply tubes, sheet metal parts, and machined parts to various aviation companies worldwide. If this opportunity interests you, please submit your resume to careers@globeeng.com.
