

GLOBE ENGINEERING
JOB POSTING
DEBURR

If you have deburr experience in Aviation or the attitude and aptitude to work in deburr and looking for a fantastic opportunity with a dynamic **EMPLOYEE-OWNED** manufacturing company, Globe Engineering might be the place for you. Globe was established in 1946 in Wichita Kansas where it produced child safety seats for automobiles. We have grown over the years and now we supply tubes and sheet metal parts to a variety of aviation companies throughout the world. Being part of an **EMPLOYEE-OWNED** company has several benefits; the profits are returned to the employees in the form of an excellent retirement (ESOP) plan, company stocks, bonuses, and a solid benefits package. If this opportunity interests, you please send your resume to careers@globeeng.com
