

GLOBE ENGINEERING

JOB POSTING

SAW OPERATOR

If you have experience in Aviation as a Saw Operator and looking for a great opportunity with a dynamic employee owned manufacturing company, Globe Engineering might be the place for you. As an employee owned company the profits are returned to you. We provide a great working environment, bonuses, solid benefits package, and an excellent retirement and ESOP plan. Globe was established in 1946 in Wichita Kansas where it produced child safety seats for automobiles. We have grown over the years and now we supply tubes and sheet metal parts to a variety of aviation companies throughout the world. If this opportunity interests, you please send your resume to careers@globeeng.com
